GESSEL ARBITRATION WALL
ARBITRATION MOBILE APP

What is GESSEL Arbitration Wall?

GESSEL Arbitration Wall is an arbitration mobile app, i.e. a computer program designed for mobile devices such as smartphones and tablets. It is an easily accessible and **user-friendly database of documents** frequently used in arbitration such as applicable rules, laws and instruments (e.g. IBA Rules or Guidelines), and also of other knowledge and reference materials (e.g. studies, reports). It focuses primarily on the arbitration procedure and all its legal surroundings (whether hard or soft law).

The app called **GESSEL Arbitration Wall** is intended to serve promotion of arbitration. It is **free of charge** and designed for iOS (iPhones, iPads) and Android (e.g. Samsung, Sony, HTC or other kinds of phones and tablets using the Android system). It operates in English.

Functionality

Key watchwords of the GESSEL Arbitration Wall are:

search, select, save and send

It has:

- a search engine for word and phrase searches
- a bookmarking tool for selecting and saving particular sets of documents comprising a bundle required/ relevant for a matter (case), a conference topic and/or an academic work
- a “send” option enabling easy forwarding of documents by e-mail in order to share or print them

Documents included in the app

- arbitration rules of all major European as well as local/regional (mainly CEE) arbitration institutions with international reach (caseload)
- international conventions concerning arbitration
- “most popular” arbitration domestic laws in English translation
- international instruments (e.g. rules, guidelines, notes)
- sample arbitration clauses
- arbitration fees, and
- links to relevant websites

How to download application?

The application can be downloaded from the **AppStore** (for iOS system) or **GooglePlay** (for Android) available in all mobile devices.

Upon entering the **AppStore** or **GooglePlay**, please enter in the search engine: **Arbitration Wall**.

Then choose the free application **Arbitration Wall**. Choose: **Install**.
