EXPERIENCE

He leads the GESSEL's [Real Estate](#) practice.

Focuses on identifying and implementing an effective approach in the interests of optimum solution of the given problem, true to the maxim *quality in all we do*.

Specialises in comprehensive advice in all aspects of [real property](#) law to the benefit of developers, lessors, lessees, lenders, borrowers, sellers and purchasers of real estate.

His track record in interdisciplinary projects at the nexus of M&A, company law, and tax law affords him a broader perspective on real property issues, and it has enabled him to develop a good feel for the business dimension and a pragmatic attitude in negotiations.

His other areas of expertise include [company law](#), [M&A transactions](#), [litigation](#) and [corporate disputes](#). Managed teams of lawyers in numerous [due diligence](#) studies.

Contributed to publications and wrote press articles on his areas of professional interest, leads training seminars, among other entities for the Warsaw bar association. For many years now, supports the operations of the DAFA Association of Flat Roof and Facade Contractors.

With GESSEL since 2011.
